

ST. REGIS CHENGDU

Starwood Hotels & Resorts has announced that St. Regis Chengdu will open its doors on 4 September 2014. It will be the 32nd St. Regis hotel worldwide, and the sixth in Greater China following recent landmark openings in Tianjin, Sanya, Lhasa and Shenzhen.

Designed by DiLeonardo International, St. Regis Chengdu will set a new standard in Southwest China for bespoke service and refined elegance. The 29-storey hotel is part of the new Huazhi Plaza, a mixed-use development comprising a cluster of four towers that will become a hub for residential, business, entertainment and shopping. With an exclusive address in the heart of Chengdu's

business district, the hotel is located steps away from Tianfu Square and the Chun Xi Road high-end retail area.

Interiors fuse Art Deco styling of the 1920s with traditional elements of Szechuan culture and the high-energy dynamism of Chengdu. The detailing and styling is a catalyst between eras and cultures, offering East-meets-West philosophies and the fusion of classic elements with modern day luxury.

St. Regis Chengdu will offer 279 sumptuously-appointed guestrooms and suites ranging from 65m² to 325m² – among the largest in the city. In a nod to the city's epicurean pedigree as UNESCO's first City of Gastronomy in Asia, St. Regis Chengdu will feature six distinct restaurants and

lounges. These include: Social, a signature all-day-dining restaurant; Yan Ting, St. Regis' speciality Chinese restaurant serving Cantonese and Sichuan cuisine; Yun Fu, a series of four distinct private dining rooms on level 27; Decanter, Chengdu's only dedicated wine bar offering an extensive selection of fine wine labels, liquors and aged cigars; Vantage XXVII, an outdoor sky bar with views of the city skyline; and The Drawing Room, offering afternoon tea.

St. Regis Chengdu will also offer the signature St. Regis Butler Service for all guests, the first for any hotel in Chengdu, providing 24-hour anticipatory service and stay customisations according to the specific needs, tastes and preferences of guests.
